RE: Public Records Act Request – Camguard Surveillance Cameras

Dear Ms. Becker,

This letter is to respond to your Public Records Request for documents on the funding of surveillance cameras. You requested:

"The Daily Nexus would like to request public documents including the budget of the CamGuard surveillance cameras, specifically including how much they cost overall and the university's contribution."

Response: Attached are the UCSB Gateway Purchase Requisition, CamGuard Rental Equipment Agreement, copies of the Emergency Zoning permits and Road Encroachment permits issued by the County of Santa Barbara. The vendor removed the cameras on April 14, 2014.

Attached are the requested documents referenced above. This completes our obligation to respond to your Public Records request. We consider this request complete and closed. If you have any questions, I can be reached at 893-4169.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mari Tyrrell-Simpson", is written over a horizontal line.
